1 **TO THE HONORABLE LAURA S. TAYLOR, UNITED STATES BANKRUPTCY JUDGE:**

2 Leonard J. Ackerman, chapter 7 trustee (“Applicant” or “Trustee”), of the bankruptcy estate
3 (“Estate”) of Hyperikon, Inc. (“Debtor”), hereby seeks authority to employ Baker Tilly US, LLP
4 (“Baker Tilly”) as accountants and consultants to the Estate. In support thereof, Applicant represents
5 that:

6 1. The Debtor filed a voluntary chapter 7 bankruptcy petition on April 30, 2021. Applicant
7 was appointed as the duly appointed, qualified and acting chapter 7 trustee of the Debtor.

8 2. Following his appointment, the Trustee initiated his investigation of the Debtor’s
9 financial affairs. The Trustee understands that the Debtor has done business and owes sales tax in
10 Canada and has or had a sales office in Tijuana, Mexico. These foreign affiliates complicate the
11 Debtor’s corporate tax reporting obligations. Therefore, based upon his findings to date, the Trustee
12 requires the assistance of accountants/consultants to provide accounting, tax, and financial advisory
13 services.

14 3. Baker Tilly is a full-service accounting, tax and advisory firm headquartered in
15 Chicago, Illinois which operates in more than 65 offices in 21 states throughout the United States and
16 projects its annual revenues as approximately \$1 billion. Baker Tilly has more than 400 partners and
17 4,200 employees. Baker Tilly is also a member of a global accounting network called Baker Tilly
18 International that is headquartered in London, United Kingdom.

19 4. Based on the complexities associated with administering the Debtor’s case, the Trustee
20 has determined that he requires the assistance of accountants and consultants. Accordingly, the
21 Applicant wishes to employ Baker Tilly as his accountants and consultants to the Estate.

22 5. Applicant has defined the following terms regarding Baker Tilly’s employment:

- 23 a. Stacy Elledge Chiang is the accountant at Baker Tilly who will be primarily
24 responsible for the services provided by Baker Tilly.
- 25 b. The Estate will be the source of funds for compensating Baker Tilly for services
26 and reimbursing Baker Tilly for expenses.
- 27
28

1 c. Applicant will pay Baker Tilly from funds of the Estate, for its fees and expenses
2 for services pursuant to the same terms by which the Applicant will pay its other
3 professionals in the case; that is after notice, application, and a hearing.

4 6. Because of Baker Tilly's experience in bankruptcy and accounting matters, Applicant
5 believes that Baker Tilly is qualified to provide the following services as appropriate and without
6 limitation:

- 7 a. Advice and services regarding the Estate's tax liabilities and assistance with
8 preparation of the Estate's annual federal, state and international tax filings as
9 required by the Trustee;
- 10 b. Assistance with accounting, tax and other reporting issues associated with the
11 Debtor's 401(k) plan as required by the Trustee¹;
- 12 c. Such other accounting, professional tax services and consulting services as
13 required by the Trustee; and,
- 14 d. Performing such other services as may be requested by Trustee and permitted by
15 the United States Bankruptcy Court for the Southern District of California.

16 7. Applicant desires to employ Baker Tilly as an accountant and consultant under 11
17 U.S.C. § 327(a), which provides:

18 Except as otherwise provided in this section, the trustee, with the court's
19 approval, may employ one or more attorneys, accountants, appraisers,
20 auctioneers, or other professional persons, that do not hold or represent an
21 interest adverse to the estate, and that are disinterested persons, to represent or
22 assist the trustee in carrying out the trustee's duties under this title.

23 8. Applicant and Baker Tilly have agreed to the terms of the engagement letter attached
24 to the Declaration of Jere G. Shawver as **Exhibit B**.

25
26 _____
27
28 ¹ In some instances, accounting services related to 401(k) plans can be paid directly from 401(k) plan funds. If such an
option is available within the Debtor's 401(k) plan and its funds, the Trustee reserves the right to seek payment of any
such services from the 401(k) plan as appropriate.

1 9. Based on the attached declarations, Applicant believes Baker Tilly is disinterested
2 within the meaning of 11 U.S.C. § 101(14) on the matters on which it is to be employed.

3 10. Baker Tilly understands that its fees and costs are subject to court approval after notice
4 and a hearing. Baker Tilly will seek approval of reasonable compensation for its actual, necessary
5 services and reimbursement of its actual, necessary expenses incurred in representing the Applicant in
6 this chapter 7 case pursuant to 11 U.S.C. §§ 330 and 331.

7 11. The source of payment of Baker Tilly's fees and costs will be the funds available in the
8 Debtor's bankruptcy estate.

9 12. Stacy Elledge Chiang will be the professional primarily responsible for performing
10 accounting services for the Applicant in this chapter 7 case. Ms. Elledge Chiang's assigned hourly
11 rate is currently \$395.00. Other professionals may also perform services during the course of this
12 engagement at their customary hourly rates. Upon any periodic adjustment in Baker Tilly's assigned
13 rates, Baker Tilly may charge the Applicant the adjusted rates.

14 13. For the foregoing reasons, Applicant believes it is in the best interest of the Estate that
15 the court approves the employment of Baker Tilly as accountants and consultants to the Estate on the
16 terms and conditions set forth in this application.

17 14. WHEREFORE, Applicant requests that he be authorized to employ Baker Tilly as
18 accountants and consultants to the Estate under 11 U.S.C. § 327(a).

19
20 DATED: August 31, 2021

Respectfully Submitted,

DECLARATION OF LEONARD J. ACKERMAN

I, Leonard J. Ackerman, declare:

1. I have personal knowledge of the facts stated in this declaration, and if called as a witness, I could and would testify competently to these facts under oath, except as to matters which are stated on information and belief, and as to these facts, I am informed and believe that they are true.

2. The Debtor filed a voluntary chapter 7 bankruptcy petition on April 30, 2021. I was appointed as the duly appointed, qualified and acting chapter 7 trustee of Debtor.

3. Following my appointment, I initiated my investigation of the Debtor's financial affairs. The Debtor has done business and owes tax in Canada and has or had a sales office in Tijuana, Mexico. These foreign affiliates complicate the Debtor's corporate tax reporting obligations. Therefore, based upon findings to date, I require the assistance of accountants/consultants to provide accounting, tax and financial advisory services.

4. Accordingly, I believe it is necessary and beneficial to the Estate that I employ an accounting and consulting firm with experience in chapter 7 administration, liquidations, business transactions and tax consulting to assist with my administration of Debtor's case. I wish to employ Baker Tilly as my accountants and consultants herein, at the expense of Debtor's Estate, to assist me with the administration of this case. I believe that this case warrants the retention of an accounting and consulting firm with both bankruptcy and general accounting expertise. I believe Baker Tilly fits this profile and furthermore, has the professional resources to respond to the demands associated with this case.

5. Because of Baker Tilly's experience in bankruptcy and accounting matters, I believe that Baker Tilly is well qualified to specifically provide the following services including, but not limited to, the following:

- a. Advice and services regarding the Estate's tax liabilities and assistance with preparation of the Estate's annual federal, state and international tax filings as required;

- b. Assistance with accounting, tax and other reporting issues associated with the Debtor's 401(k) plan as required²;
- c. Such other accounting, professional tax services and consulting services as required; and,
- d. Performing such other services as may be requested by me and permitted by the United States Bankruptcy Court for the Southern District of California.

6. Baker Tilly has been employed in numerous bankruptcy cases by debtors, creditors, and trustees to provide financial, accounting and tax related analysis and consulting services. Therefore, Baker Tilly has the necessary qualifications and experience to carry out various financial, accounting and consulting duties in this case. The billing rates charged to the Estate do not exceed the rates which would be charged for comparable work by other accounting firms in Southern California.

7. Baker Tilly and I have mutually agreed that this application, including exhibits, constitutes the written agreement concerning the terms of Baker Tilly's employment and this application and resultant order shall govern the terms of Baker Tilly employment by me.

8. Based on the attached declaration of Jere G. Shawver, I am informed and believe that Baker Tilly is disinterested within the meaning of 11 U.S.C. § 101(14).

9. As a current panel trustee in the Southern District of California, working on a number of active asset cases assigned to me by the court, I currently employ a number of different professionals in connection with these active asset cases. I have previously retained Squar Milner LLP, which recently combined with Baker Tilly and is now known as Baker Tilly. My employment of Baker Tilly in other unrelated cases does not give Baker Tilly an adverse interest to the Estate and does not affect Baker Tilly's "disinterestedness" as required by section 327 of the Bankruptcy Code.

² In some instances, accounting services related to 401(k) plans can be paid directly from 401(k) plan funds. If such an option is available within the Debtor's 401(k) plan and its funds, I will seek payment of any such services from the 401(k) plan as appropriate.

DECLARATION OF JERE G. SHAWVER

I, JERE G. SHAWVER, declare:

1. The matters stated herein are true and correct and within my personal knowledge. If called as a witness, I could and would competently testify thereto.

2. I am a Certified Public Accountant and the Managing Partner–Assurance and Risk of Baker Tilly US, LLP (“Baker Tilly”). I am authorized to make this declaration on behalf of Baker Tilly.

3. The Trustee wishes to employ Baker Tilly as his accountants and consultants herein, at the expense of the Debtor’s Estate, to assist the Trustee with financial, accounting, tax and consulting issues related to this chapter 7 case and generally, with administration of the bankruptcy estate.

4. Baker Tilly is a full-service accounting, tax and advisory firm headquartered in Chicago, Illinois. Baker Tilly operates in more than 65 offices in 21 states throughout the United States and projects its annual revenues as approximately \$1 billion. Baker Tilly has more than 400 partners and 4,200 employees. Baker Tilly is also a member of a global accounting network called Baker Tilly International that is headquartered in London, United Kingdom.

5. A statement of qualifications describing the San Diego bankruptcy team’s service as well as the biographical information of its professionals is attached hereto as **Exhibit A**. The terms and conditions of Baker Tilly’s employment and the hourly rates of Baker Tilly professionals likely to work on this case and a schedule of out-of-pocket costs are set forth in the engagement letter attached hereto as **Exhibit B**. Stacy Elledge Chiang will lead this engagement.

6. Under my direction, Baker Tilly professionals have conducted a conflicts search for this engagement. Baker Tilly’s review consisted of queries of the parties listed on **Exhibit C** of its internal computer databases containing names of individuals and entities that are present or recent and former clients of Baker Tilly to identify potential relationships. A summary of the potential relationships that Baker Tilly was able to identify using its reasonable efforts is reflected in **Exhibit D** attached hereto. On an ongoing basis, Baker Tilly will conduct further reviews of its professional contacts as it becomes aware of new parties of interest, as is stated below.

1 7. Baker Tilly also sent an email of the parties-in-interest to its partners, principals and
2 directors seeking both personal and professional contacts. Those contacts are also listed on **Exhibit**
3 **D** attached hereto.

4 8. Baker Tilly's systems do not contain the names of all the individual attorneys with
5 whom we have worked unless they are, themselves, clients. Further, Baker Tilly's systems may not
6 include the names of all adverse parties or their counsel.

7 9. Additionally, it is possible that some of the attorneys and law firms listed on **Exhibit**
8 **C** have been or are adverse to Baker Tilly's clients in other unrelated matters. I believe that any such
9 connections do not give Baker Tilly an adverse interest to the Debtor and its bankruptcy estate and do
10 not affect Baker Tilly's disinterestedness, as required by Bankruptcy Code section 327.

11 10. Baker Tilly has in the past been retained by, and presently provides and likely in the
12 future will provide services for, certain creditors of the Debtor, other parties-in-interest and their
13 respective attorneys and accountants in matters unrelated to such parties' claims against the Debtor or
14 interests in this chapter 7 case. Baker Tilly currently performs, has previously performed or may have
15 performed such services for the entities listed in **Exhibit C**, however, except as disclosed herein, such
16 services, to the extent performed by Baker Tilly, are unrelated to the Debtor or its chapter 7 case.

17 11. As part of its practice, Baker Tilly appears in many cases, proceedings, and transactions
18 involving many different law firms, financial consultants, accountants, and investment bankers in
19 matters unrelated to this chapter 7 case. Baker Tilly has not identified any material relationships or
20 connections with any law firm, financial consultant, accountant, or investment banker involved in this
21 chapter 7 case that would cause it to be adverse to the Debtor, the Debtor's estate, any creditor or any
22 other party-in-interest, or that would otherwise affect Baker Tilly's judgment or ability to perform
23 services for the Trustee.³

24
25
26
27
28 ³ From time to time, Baker Tilly hires attorneys in the ordinary course of its businesses. No firm has been retained regarding any issues in this matter.

1 12. Baker Tilly has not provided, and will not provide, any professional services to any of
2 the creditors, other parties-in-interest, or their respective attorneys and accountants with regard to any
3 matter related to this chapter 7 case.

4 13. Baker Tilly is the United States member firm of Baker Tilly International, a cooperative
5 of member firms, each a separate legal entity, located worldwide. Only Baker Tilly is being retained
6 in this matter. Baker Tilly cannot assure that an engagement will not be accepted by a foreign member
7 firm of Baker Tilly International for another party that may bear upon Baker Tilly's engagement by
8 the Trustee. However, to the extent Baker Tilly is aware of such engagement and believes such
9 engagement may bear upon Baker Tilly's engagement by the Trustee, Baker Tilly will file a
10 supplemental declaration with the bankruptcy court.

11 14. Baker Tilly has not provided services to the Debtor. With the exception of the few
12 connections or potential connections shown on **Exhibit D**, to the best of my knowledge, neither Baker
13 Tilly nor any of its principals, associates, or employees has any interest in or connection with the
14 Debtor, creditors or other parties-in-interest.

15 15. Accordingly, I believe that Baker Tilly's services to the parties shown as connections
16 or potential connections on **Exhibit D** do not give Baker Tilly an adverse interest to the Debtor and
17 its bankruptcy estate and therefore do not affect Baker Tilly's disinterestedness, as required by
18 Bankruptcy Code section 327. In addition, no principal, associate, or employee of Baker Tilly holds
19 or represents any adverse interest to the Debtor and its bankruptcy estate. Therefore, I believe that
20 Baker Tilly is disinterested within the meaning of Bankruptcy Code section 327.

21 16. Based upon the results of Baker Tilly's conflicts search, I observe and conclude that
22 Baker Tilly holds no interest adverse to the Debtor, its attorneys and accountants, creditors and other
23 parties-in-interest and their respective attorneys and accountants, the United States Trustee, or any
24 other person employed in the Office of the United States Trustee. Therefore, I believe that Baker Tilly
25 is a disinterested person within the meaning of Bankruptcy Code sections 101(14) and 327 and has
26 met the disclosure requirements of Rule 2014(a).

1 17. I will continue to monitor the parties involved in this case as it proceeds and, and, if
2 necessary, file a supplemental declaration of disinterest notifying the bankruptcy court of any actual
3 or potential conflict.

4 18. The Trustee and Baker Tilly have mutually agreed that Application, with exhibits, and
5 the resultant order, a proposed form of which is attached as **Exhibit E**, shall be the written agreement
6 governing Baker Tilly's employment in this matter.

7
8 I declare under penalty of perjury that the foregoing is true and correct and that this declaration
9 was executed on August 31, 2021 at Tysons Corner, Virginia.

1. Services. It is understood and agreed that while Baker Tilly US, LLP's ("Baker Tilly") services may include advice and recommendations, all decisions in connection with the use thereof shall be the responsibility of, and made by the Trustee. References herein to "Trustee" shall refer both to the trustee and the underlying bankruptcy estate(s) collectively on whose behalf services are being rendered as identified in the employment application and engagement letter (collectively, the "Application") to which these Standard Terms and Conditions are attached. The Application, the resultant order, and these Terms and Conditions shall be collectively referred to as the "Agreement." As used herein, "Engagement" shall mean the bankruptcy case or cases in which Baker Tilly is retained by the Application.

2. Not Assurance Services/Not Legal Services. Baker Tilly's work generally will involve the financial analyses of accounting books and records and other financial information/ documents. Our Engagement does not include an audit, review, or compilation in accordance with Generally Accepted Auditing Standards ("GASS") of any financial statements. The Services performed under this Agreement do not include the provision of legal advice and Baker Tilly makes no representations regarding questions of legal interpretation. Trustee should consult with its attorneys with respect to any legal matters or items that require legal interpretation under federal, state or other type of law or regulation.

3. Confidentiality. All communications between Baker Tilly and the Trustee will be treated as confidential. If access to any of the materials in Baker Tilly's possession relating to this Engagement is sought by a third-party, we will promptly notify Trustee of such action and cooperate with Trustee and any law firm employed by Trustee concerning our response thereto. In the event that any person or entity serves a subpoena upon Baker Tilly for testimony or the production of documents or records relating to or arising from any work performed for Trustee in connection with this Engagement, Trustee shall reimburse Baker Tilly from the assets of the bankruptcy estate(s) for all time, costs, and attorneys' fees incurred in responding to such subpoena(s) to the extent allowed by the United States Bankruptcy Court presiding over the relevant Engagement (the "Bankruptcy Court").

4. Payment of Fees and Expenses. Trustee agrees to promptly pay all fees and expenses approved and authorized for payment by the Bankruptcy Court. In the event that there are insufficient fees to pay all administrative claims in full, the Trustee agrees to treat Baker Tilly's allowed fees and expenses with at least the same priority that it treats all other such allowed claims.

5. Taxes. All fees, charges, and other amounts payable to Baker Tilly under the Agreement do not include any sales, use, excise, value added or other applicable taxes, tariffs or duties, payment of which shall be Trustee's sole responsibility, excluding any applicable taxes based on Baker Tilly's net income or taxes arising from the employment or independent contractor relationship between Baker Tilly and its personnel.

6. Term of Engagement

a. Commencement. Baker Tilly will commence work at your direction (written or oral). We reserve the right to cease rendering services if the fully executed Agreement is not received by us within 10 days of the date of this Agreement.

In addition, either party may terminate the Agreement at any time by giving written notice to the other party not less than ten (10) calendar days (or as otherwise provided in the Application) before the effective date of termination and with the consent of the Bankruptcy Court. Baker Tilly shall be paid in full for all services rendered or expenses incurred as of the date of termination to the extent allowed by the Bankruptcy Court. Further, we may terminate the Engagement in the event that we are asked to reach conclusions with which we disagree after obtaining consent from the Bankruptcy Court. Trustee will be responsible for all fees and expenses incurred prior to termination to the extent allowed by the Bankruptcy Court.

7. Ownership.

a. Baker Tilly Property. Baker Tilly has created, acquired, owns or otherwise has rights in, and may, in connection with the performance of services under the Agreement, employ, provide, modify, create, acquire or otherwise obtain rights in, various concepts, ideas,

Baker Tilly retains all ownership rights in the Baker Tilly Property. Trustee shall acquire no right or interest in such property. In addition, Baker Tilly shall be free to provide services of any kind to any other party as Baker Tilly deems appropriate and that does not pose a conflict of interest with the work that is the subject of the Agreement, and may use the Baker Tilly Property to do so. Baker Tilly acknowledges that Baker Tilly Property shall not include any of Trustee’s confidential information or tangible or intangible property and Baker Tilly shall have no ownership rights in such property.

b. Ownership of Deliverables. All documents, materials or information of any kind created by Baker Tilly in connection with this Engagement, including, without limitation, any written reports, memoranda, work papers or status summaries, are work product (collectively, “Work Product”). All Work Product shall be owned and maintained by Baker Tilly. It is agreed that all Work Product and all other working papers and other documents prepared by Baker Tilly pursuant to this Agreement will be maintained as confidential materials and will not be disclosed to third parties without the Trustee’s consent, except as may be required by law, regulation or judicial or administrative process. c. Use of Work Product. Trustee agrees not to use Baker Tilly Work Product other than in connection with the Engagement for which it was prepared without Baker Tilly’s written consent.

8. Limitation on Warranties. This is a services Engagement. Baker Tilly warrants that it will perform services under the agreement in good faith, with qualified personnel in a competent and workmanlike manner. Baker Tilly disclaims all other warranties, either express or implied, including, without limitation, warranties of

merchantability and fitness for a particular purpose.

9. Cooperation; Use of Information.

a. Trustee agrees to cooperate with Baker Tilly in the performance of the services under the Agreement and shall provide Baker Tilly with timely access to and use of personnel, facilities, equipment, data and information within the Trustee’s control to the extent necessary for Baker Tilly to perform the services under the Agreement. The Application may set forth additional obligations of Trustee in connection with the Engagement.

b. Trustee acknowledges and agrees that Baker Tilly may, in performing its obligations pursuant to this Agreement, use data, material and other information furnished by Trustee without any independent investigation or verification and that Baker Tilly shall be entitled to rely upon the accuracy and completeness of such information in performing the services under the Agreement.

c. To the extent the Services require Baker Tilly receive personal data or personal information from Trustee, Baker Tilly may process any personal data or personal information, as those terms are defined in applicable privacy laws, in accordance with the requirements of the applicable privacy law relevant to the processing in providing services hereunder. Applicable privacy laws may include any local, state, federal, or international laws, standards, guidelines, policies, or regulations governing the collection, use, disclosure, sharing, or other processing of personal data or personal information with which Baker Tilly or its Trustees must comply. Such privacy laws may include (i) the EU General Data Protection Regulation 2016/679 (GDPR); (ii) the California Consumer Privacy Act of 2018 (CCPA); and/or (iii) other laws regulating marketing communications, requiring security breach notification, imposing minimum security requirements, requiring the secure disposal of records, and other similar requirements applicable to the processing of personal data or personal information. Baker Tilly is acting as a Service Provider/Data Processor in relation to Trustee personal data and personal information, as those terms are defined respectively under the CCPA/GDPR. Trustee is responsible for notifying Baker Tilly of any data privacy laws the data provided to Baker Tilly is subject to and Trustee represents and warrants it has all necessary authority (including any legally required consent from data subjects) to transfer such information and authorize Baker Tilly to process

such information in connection with the Services described herein.

d. Baker Tilly has established information security related operational requirements that support the achievement of our information security commitments, relevant information security related laws and regulations, and other information security related system requirements. Such requirements are communicated in Baker Tilly's policies and procedures, system design documentation, and contracts with customers. Information security policies have been implemented that define our approach to how systems and data are protected. Trustee is responsible for providing timely written notification to Baker Tilly of any additions, changes, or removals of access for Trustee personnel to Baker Tilly provided systems or applications. If Trustee becomes aware of any known or suspected information security or privacy related incidents or breaches related to this agreement, Trustee should timely notify Baker Tilly via email at dataprotectionofficer@bakertilly.com.

10. Force Majeure. Neither Trustee nor Baker Tilly shall be liable for any delays resulting from circumstances or causes beyond its reasonable control, including, without limitation, fire or other casualty, act of God, strike or labor dispute, war or other violence or any law, order or requirement of any governmental agency or authority.

11. Independent Contractor. It is understood and agreed that each of the parties hereto is an independent contractor and that neither party is or shall be considered an agent, distributor or representative of the other. Neither party shall act or represent itself, directly or by implication, as an agent of the other or in any manner assume or create any obligation on behalf of or in the name of, the other.

12. Confidentiality.

a. "Confidential Information" means all documents, software, reports, data, records, forms and other materials (including without limitation Work Product as defined herein) obtained by one party (the "Receiving Party") from the other party (the "Disclosing Party") in the course of performing the services under the Agreement: (i) that have been marked as confidential; (ii) whose confidential nature has been made known by the Disclosing Party to the Receiving Party; or (iii) that due to their character and nature, a reasonable person under like circumstances would treat as confidential. Notwithstanding the foregoing, Confidential Information does not include

information which: (i) is already known to the Receiving Party at the time of disclosure by the Disclosing Party; (ii) is or becomes publicly known through no wrongful act of the Receiving Party; (iii) is independently developed by the Receiving Party without benefit of the Disclosing Party's Confidential Information; or (iv) is received by the Receiving Party from a third party without restriction and without a breach of an obligation of confidentiality.

b. The Receiving Party shall not use or disclose to any person, firm or entity any Confidential Information of the Disclosing Party without the Disclosing Party's express, prior written permission; provided, however, that notwithstanding the foregoing, the Receiving Party may disclose Confidential Information to the extent required pursuant to a statutory or regulatory provision or court order or to fulfill professional obligations and standards.

c. Each party shall be deemed to have met its nondisclosure obligations under this Paragraph 15 as long as it exercises the same level of care to protect the other's information as it exercises to protect its own confidential information but in no event less than reasonable care, except to the extent that applicable law or professional standards impose a higher requirement.

d. If the Receiving Party receives a subpoena or other validly issued administrative or judicial demand requiring it to disclose the Disclosing Party's Confidential Information, the Receiving Party shall provide prompt written notice, unless legally prohibited, to the Disclosing Party of such demand in order to permit it to seek a protective order. So long as the Receiving Party gives notice as provided herein, the Receiving Party shall be entitled to comply with such demand to the extent permitted by law, subject to any protective order or the like that may have been entered in the matter.

e. Notwithstanding anything to the contrary set forth herein, no provision in the Agreement is or is intended to be construed as a condition of confidentiality within the meaning of Internal Revenue Code sections 6011, 6111, 6112 or the regulations thereunder. Trustee (and each employee, representative or other agent of Trustee) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of any transaction within the scope of this Engagement that reduces or defers Federal tax and all materials of any kind (including opinions or other tax analyses) that are

provided to Trustee relating to such tax treatment and tax structure.

13. Document Retention.

a. It is not our practice to retain work papers, e-mails, notes or data files that have been updated or superseded, unless shared with the Trustee or a third-party working with the Trustee. However, we will retain certain copies of e-mails, analyses, draft reports, or other materials provided by Trustee or any third party, or provided by us to Trustee or any third-party. Any requests for other document retention policies must be made in writing at the time of the execution of the Application.

b. We may maintain copies of all our work product and related materials for our files. If we choose not to retain copies, Trustee will provide access to the work papers upon reasonable notice. Baker Tilly has a file retention policy requiring the destruction of all Trustee files seven years after each case is “resolved” as it pertains to this type of Engagement, unless otherwise dictated by a valid protective order issued by an appropriate court of law. Baker Tilly makes no representation of retention of files after this date, and shall have no liability for not retaining information or data after such date, regardless of any obligation of Trustee to maintain information or data beyond that time, and regardless of whether there may be important tax or financial information in the files that will be destroyed. Trustee will have access to our files and may request all or part of our records to be copied at their expense, or returned prior to destruction so long as all fees and expenses have been paid in full. By signing the Application, Trustee acknowledges its understanding of, and agrees to, Baker Tilly’s retention policy.

14. Survival. The provisions herein that, by its nature, including without limitation provisions relating to limitations on liability and indemnification, should survive the termination of the Engagement are intended to and do survive the termination of the Engagement.

15. Assignment. Neither party may assign, transfer or delegate any of its rights or obligations without the prior written consent of the other party, such consent not to be unreasonably withheld.

16. Severability. In the event that any term or provision of this Agreement shall be held to be invalid, void or unenforceable, then the remainder of this Agreement shall not be affected and each such term

and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

17. Governing Law. The Agreement shall be governed by and construed in accordance with the laws of the state in which the Bankruptcy Court sits, without regard to the conflict of laws provisions thereof. The Bankruptcy Court shall have jurisdiction or any dispute arising from the Agreement.

18. Miscellaneous.

a. Sarbanes-Oxley. In accepting this Engagement, Trustee acknowledges that completion of this Engagement will not constitute a basis for Trustee’s assessment or evaluation of internal control over financial reporting and disclosure controls and procedures, or its compliance with its principal officer certification requirements under Section 302 of the Sarbanes-Oxley Act of 2002 (“SOX”). This Engagement shall not be construed to support Trustee’s responsibilities under Section 404 of SOX requiring each annual report filed under Section 13(a) or 15(d) of the Securities Exchange Act of 1934 to contain an internal control report from management.

b. Electronic Communication. Baker Tilly may communicate with Trustee by electronic mail or otherwise transmit documents in electronic form during the course of this Engagement. Trustee accepts the inherent risks of these forms of communication (including the security risks of interception of or unauthorized access to such communications, the risks of corruption of such communications and the risks of viruses or other harmful devices) and agrees that it may rely only upon a final hardcopy version of a document or other communication that Baker Tilly transmits to Trustee.

c. Notices. Any notices given pursuant to this Agreement shall be in writing, delivered to the address (es) set forth in the Application and shall be considered given when received.

d. Entire Agreement. This Agreement, including the Application, the Engagement Letter, and all Exhibits, constitute the entire agreement between Baker Tilly and Trustee with respect to this Engagement and supersede all other oral and written representation, understandings or agreements relating to this Engagement.

e. Failure to Enforce Not a Waiver. The failure of either party at any time to enforce any of the provisions of this Agreement will in no way be construed as a waiver of such provisions and will not affect the right

of party thereafter to enforce each and every provision thereof in accordance with its terms.

f. Baker Tilly International Limited. Baker Tilly US, LLP is an independent member of Baker Tilly International. Baker Tilly International Limited is an English company. Baker Tilly International provides no professional services to Trustees. Each member firm is a separate and independent legal entity and each describes itself as such. Baker Tilly US, LLP is not Baker Tilly International's agent and does not have the authority to bind Baker Tilly International or act on Baker Tilly International's behalf. None of Baker Tilly International, Baker Tilly US, LLP, nor any of the other member firms of Baker Tilly International has any liability for each other's acts or omissions.
